

Performance for the vulcanization of rubber plates, Auma type 10
(Rotocure machine with heating drum diameter = 1.0 m)

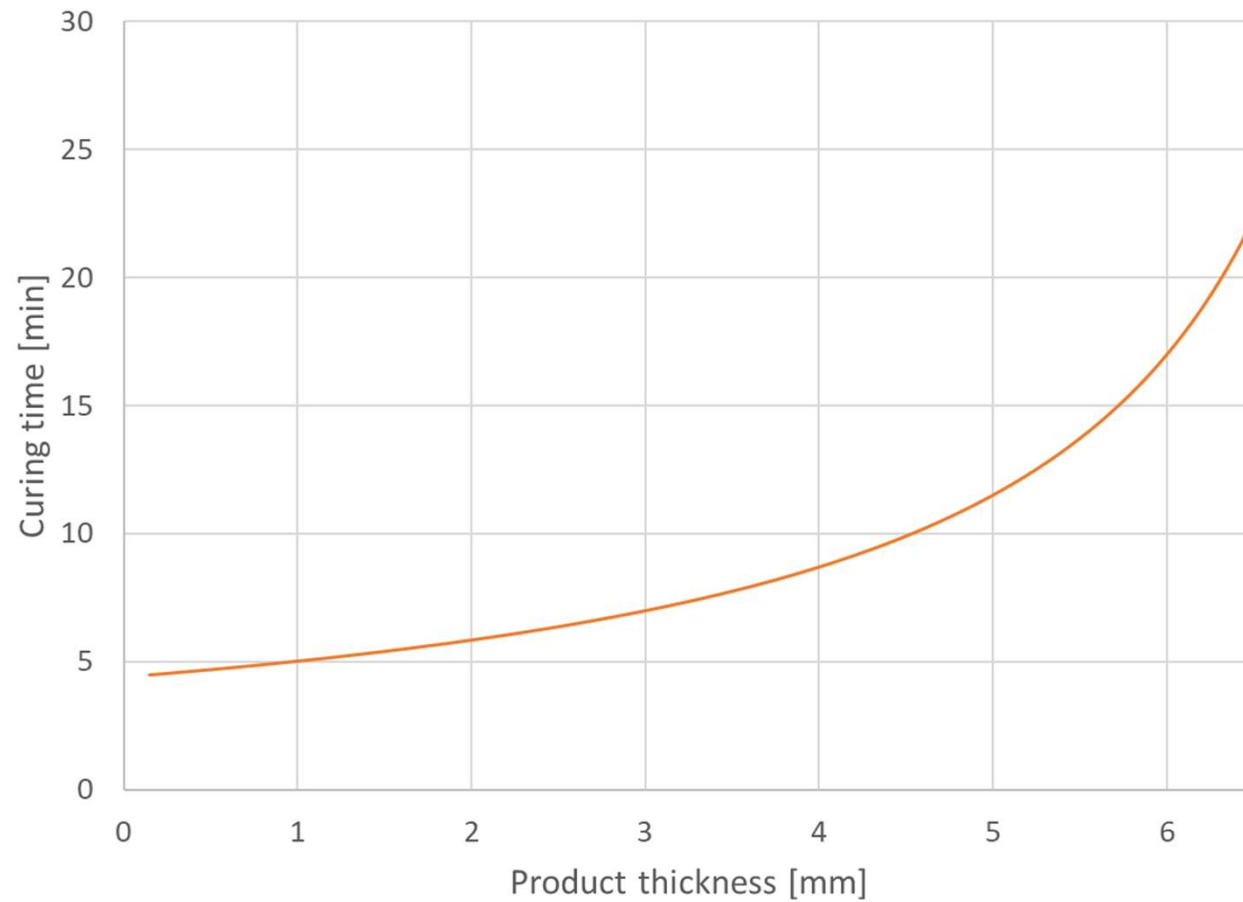

Curing times for the vulcanization of rubber plates, Auma type 10
(Rotocure machine with heating drum diameter = 1.0 m)

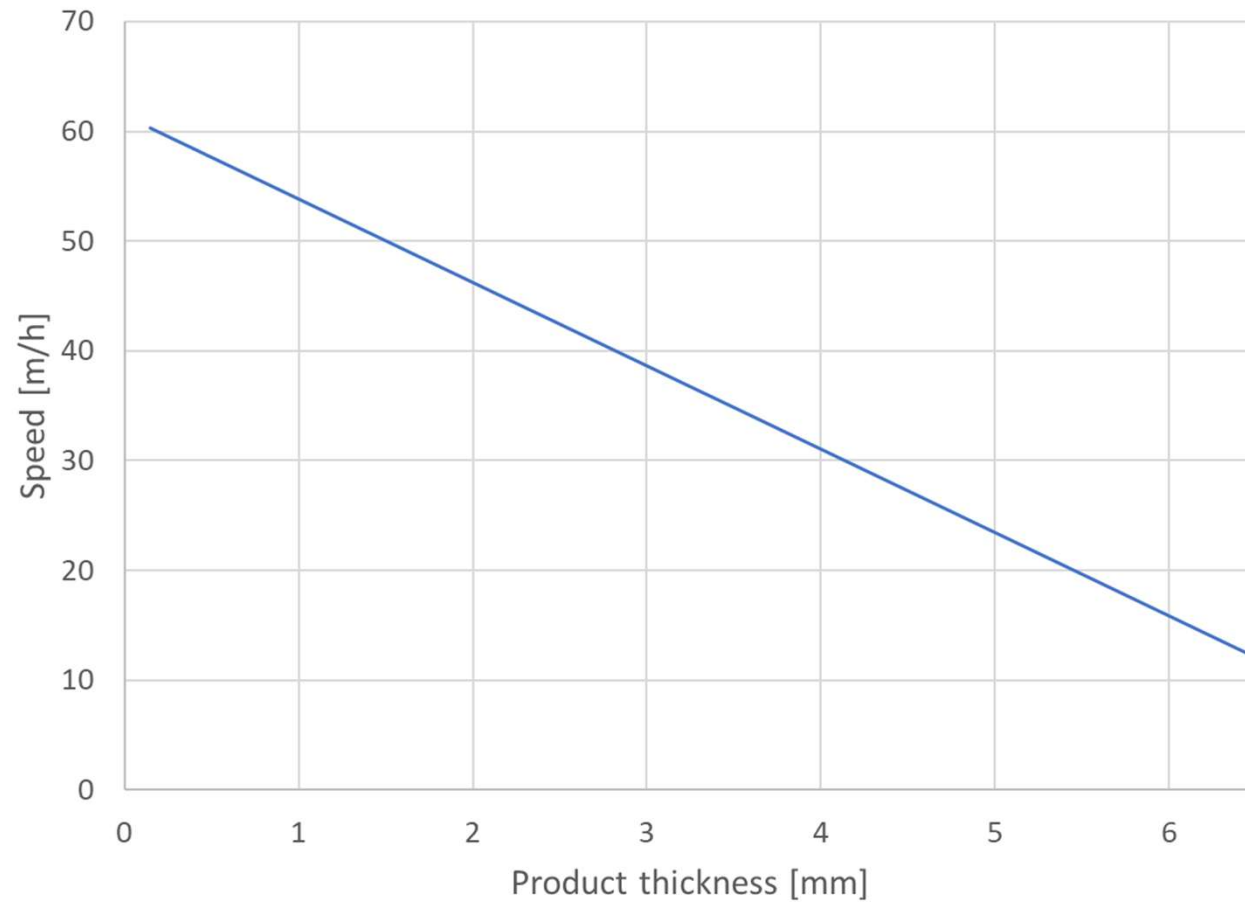

Performance for the vulcanization of rubber plates, Auma type 15
(Rotocure machine with heating drum diameter = 1.5 m)

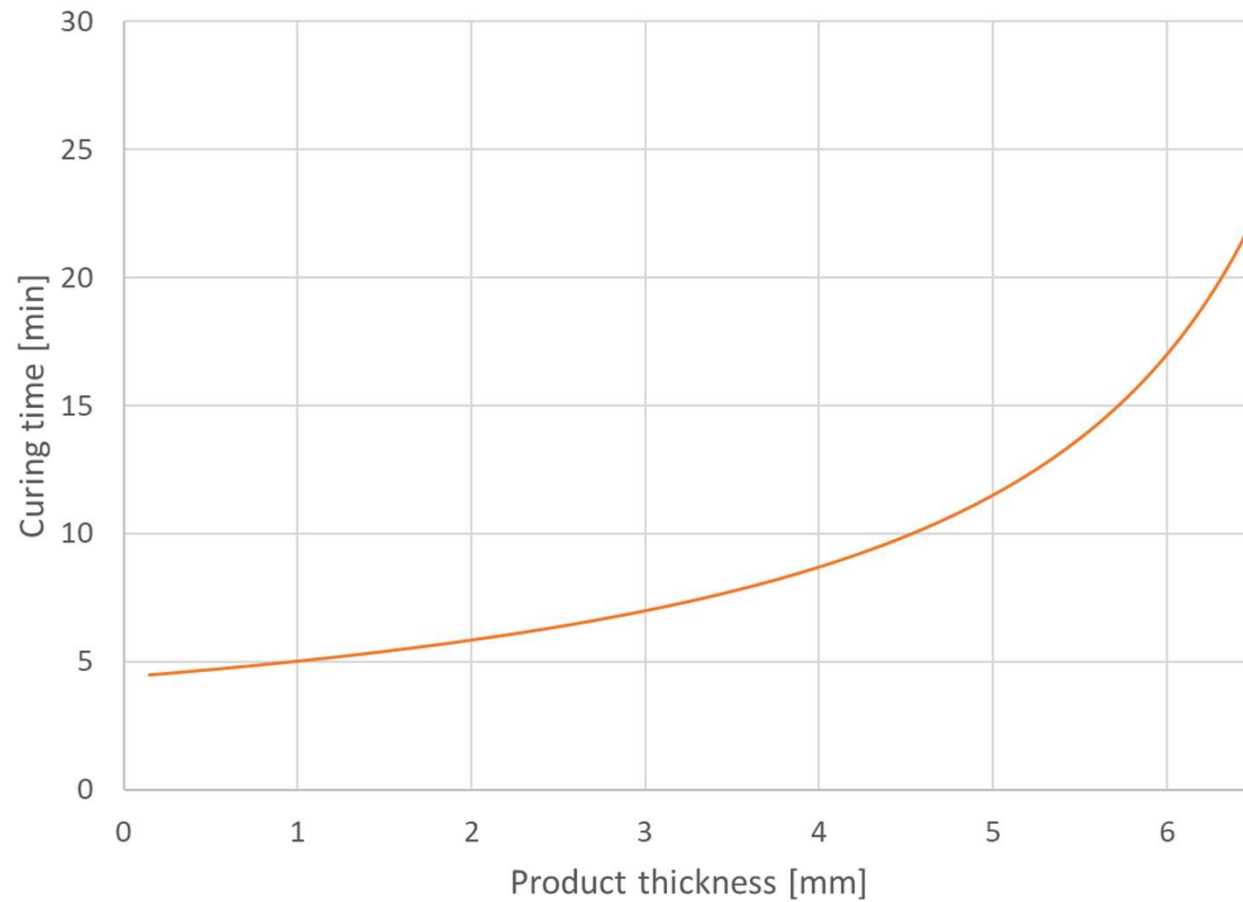

Curing times for the vulcanization of rubber plates, Auma type 15
(Rotocure machine with heating drum diameter = 1.5 m)

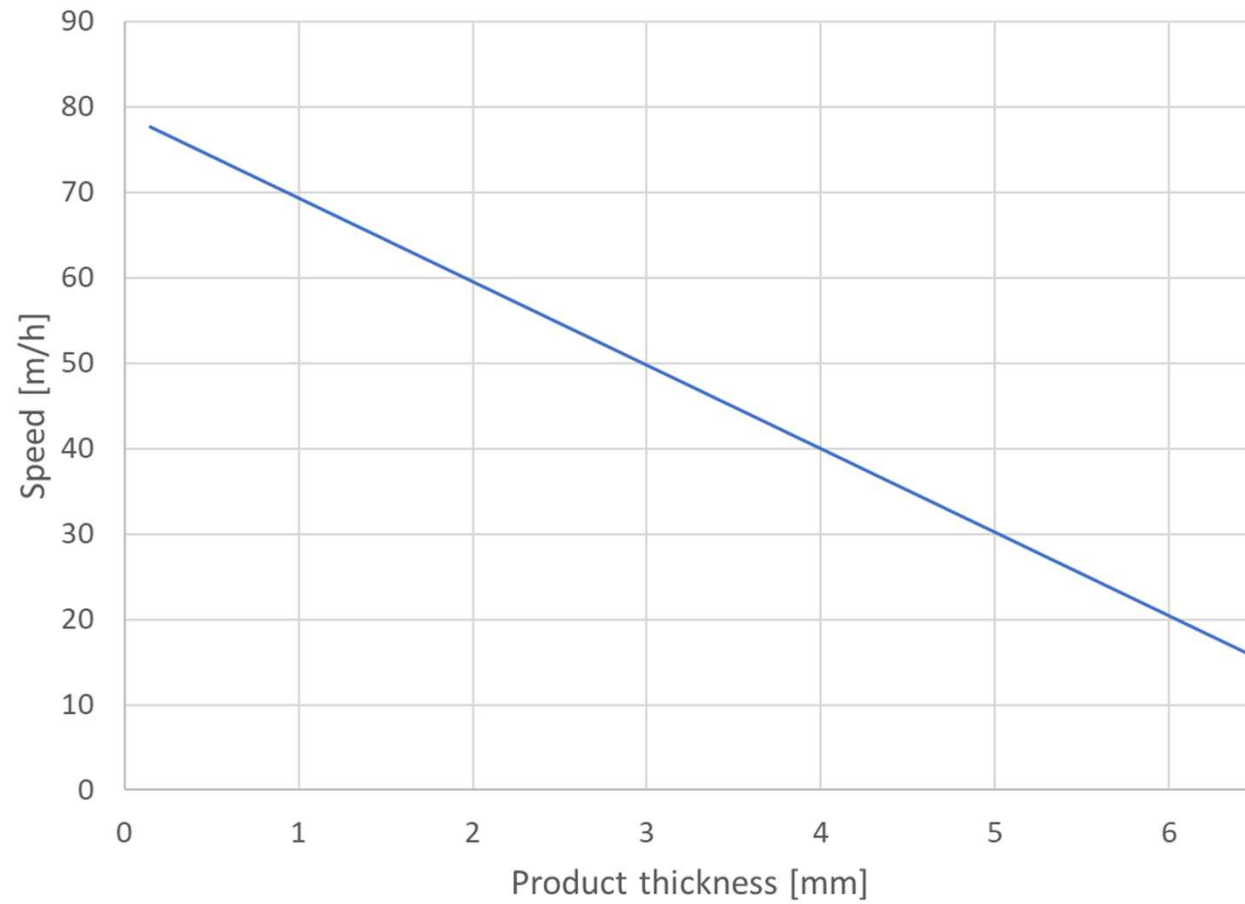

Performance for the vulcanization of rubber plates, Auma type 20
(Rotocure machine with heating drum diameter = 2.0 m)

Curing times for the vulcanization of rubber plates, Auma type 20
(Rotocure machine with heating drum diameter = 2.0 m)

Performance for the vulcanization of rubber plates, Auma type 25
(Rotocure machine with heating drum diameter = 2.5 m)

Curing times for the vulcanization of rubber plates, Auma type 25
(Rotocure machine with heating drum diameter = 2.5 m)
